Passports must be valid for at least 6 months beyond the period of intended stay

Please Note: The name on your ticket must EXACTLY match that of your passport or boarding may be denied. If you have a middle name or initial on your passport, please ensure it appears on your ticket as well.

Always carry your documents, tickets, medication and valuables with you while travelling. They should not be packed with your checked luggage. They should be carried with you while travelling.

Unless insured, your baggage is transported at your own risk. It is recommended that you pack a change of clothing in your carry-on luggage in the event of mis-routed or delayed luggage.

Unique travel experiences... where luxury, adventure and spirituality meet!

MEDICAL INFORMATION

Although no vaccinations are required to enter Spain, please ensure that you have consulted with your medical doctor or travel clinic to ensure your routine vaccinations are up to date.

These precautions are to ensure nothing prevents you from having the time of your life on this magical journey!

AIRPORT CHECK-IN

Please ensure you check-in at the airport at least 3 hours prior to your departure time.

It is recommended you call the Airline Information Number or check online to verify your flight times. Due to increased airport security measures, please be sure to leave ample time for check in as late arrivals could be denied boarding. Please also confirm that your frequent flyer number (if applicable) is on file upon check-in.

LUGGAGE ALLOWANCE

Economy Ticket Holders:

Carry-On: Passengers are allowed one carry-on bag plus one personal item such as a purse, briefcase, laptop or backpack. Passengers will be required to check any bags above this allowance. Please check with your airline(s). The maximum size of carry-on luggage for all airlines is 40cm X 55cm X 23cm. Any objects such as razors, tweezers, nail files, scissors or pocket knives are not allowed in your carry-on luggage. You are allowed to bring a quart-sized bag of liquids, aerosols, gels, creams and pastes in your carry-on bag. These are limited to travel-sized containers of 3.4 ounces (100 mls) or less per item.

Checked Luggage: Due to recent changes in luggage allowances with all airlines, we recommend that you check the airline website for exact luggage allowances for your flights, as well as associated costs for checked luggage.

In the unlikely event that your luggage is misdirected, please report it at the Lost Luggage Counter before leaving the airport.

LUGGAGE TAGS

Please ensure your luggage is tagged with your name prior to departure from your home. These tags will expedite the identification and safe handling of your luggage at the hotels.

SECURITY CONSIDERATIONS

The following are a few tips to help ensure safe travels. It is recommended that you limit the amount of valuables you bring with you. **While traveling it is best to keep valuables, jewelry, travel documents and medications with you or locked in your hotel in-room safety deposit box.** Do not place these items in your checked luggage or leave them in locked luggage or loose in your hotel room.

With respect to air transportation, never leave your luggage unattended and never, ever agree to carry on items, packages or suitcases for other people. Report any such requests to airline personnel or your travel staff immediately. While on the program, be sure to follow the instructions of the travel staff regarding luggage and movements within the airport.

WEATHER

The average temperatures in Northern Spain in May range from a daytime high of 17 degrees Celsius (63° Fahrenheit) to an evening low of 8 degrees Celsius (46° Fahrenheit). Please remember it is spring in Spain so there is a chance of rain during our walk.

TIME DIFFERENCE

Spain is 5 hours ahead of Toronto and all cities on EST.

AIRPORT TRANSFERS

Round-trip transfers for those flying will be provided between either the Santiago de Compostela or A Coruña International Airports and the Parador Monforte de Lemos and from the Parador Santiago de Compostela back to said airports.

CURRENCY

The currency in Spain is the Euro and the exchange rate at time of printing is 1 Euro = \$1.51CDN or \$1.13 USD. We suggest you purchase a small amount of Euro before you arrive. ATM's are readily available in the larger towns and credit cards are widely accepted in major shops. Smaller shops and restaurants along the Camino tend to be "cash only" so we encourage you to have local currency with you at all times.

ELECTRICITY/VOLTAGE

Standard North American voltage is 120V 60Hz, while Spain is 220V 50Hz. This means that you will require an Adapter/Converter when charging your North American apparatuses (cell phones, tablets, flat irons, etc.). We recommend getting a universal adapter kit. The hotels may have one or two North American outlets in the room as well as a limited number of adapters at the front desk.

CELL PHONE, ROAMING CHARGES & Wi-Fi

Please be aware that international cell phone roaming charges as well as long distance charges when calling from the hotel are very costly. We suggest you contact your cell phone provider prior to departure to purchase an International Talk & Text plan and/or an International Data Plan (for receiving emails). **The hotels offer complimentary Wi-Fi. We will also be setting up a group WhatsApp chat while on site to ensure we are all in communication while walking. Please ensure you download this app on to your phone.**

VIDEO CREW/FILMING

We will have a small video crew with us to capture highlights of the trip, which we will then edit into 3-4 short videos as a remembrance for everyone. We will also use some of the footage for promotional purposes. They have assured us that the shoot will not interfere with or distract from your experience. If you do not mind being filmed, they have asked that you sign a release form, which they will provide (standard video protocol). Thank you for your understanding and cooperation!

HOSPITALITY DESK

The Divine Destination Collection Hospitality Desk will be located in each hotel for the duration of the program. Should you have any questions or specific needs during your stay please come to the Hospitality Desk, where our staff will be pleased to assist you. This itinerary shows times that may change on occasion.

SUGGESTED DRESS

The tone for the trip is casual & comfortable. **Please refer to our "Camino Packing Guide"** for what to wear on our walk and the following itinerary for detailed information on what to wear for the various evening functions. Remember to include a rain gear and you may want to include your bathing suit as Quinta a Auga hotel has a lovely indoor pool!

IMPORTANT: Be sure to bring sun screen, travel tissue packs, band aids etc. (details found in our Camino Packing Guide), and a small backpack/day pack to carry what you need during the day along the walk.

INCLUSIONS

All breakfasts, five lunches, two cocktail receptions, seven dinners, and activities are included as noted in this itinerary. In-room dining, two lunches, one dinner and items of a personal nature are not included.

GRATUITIES

All gratuities for planned activities have been prepaid. This includes tips for bellmen & waiters (included meals only). Gratuities for personal activities such as in-room dining or bar charges are not included in this program.

INCIDENTAL ACCOUNT

The hotels will maintain an incidental account to cover your personal expenses such as in-room dining, telephone charges, spa services and any additional food & beverage items not included in the program. To ensure this account is set up for you, please leave a credit card imprint when you check-in. Please ensure you settle this account with the front desk prior to departure.

PILGRIM PASSPORT & COMPOSTELA

As many of you know, if you walk the last 100 kms of the Camino de Santiago de Compostela you will be written into the history books of the Cathedral for eternity. To achieve this, each person will receive a Pilgrim Passport and it is their responsibility to get a minimum of 2 stamps per day along the way. These stamps are often quite intricate and beautiful and can be obtained at churches, restaurants, bars, hostels and museums on the Camino. Many people collect and compare them. The last stamp could be from the Parador de Santiago de Compostela. We will then take all the Pilgrim Passports along with copies of your real passports to the Pilgrim office (so you don't have to wait in line) to obtain everyone's official Compostela, which certifies that you have completed the Camino de Santiago.

SANTIAGO DE COMPOSTELA CATHEDRAL RESORTATION NEWS

The Cathedral has been under restoration for over 5 years in preparation for the 2021 Holy Year. The good news is that the scaffolding has been removed from the exterior of the Cathedral, allowing for wonderful photos. The not-so-great news is that they have now moved inside and are restoring the interior. We are still allowed to enter although some parts will be closed off while the work is carried out. All Pilgrim masses have been moved to nearby churches. If you are interested in attending a Pilgrim mass, please contact Allison, Deb or Sue on site and we will make arrangements for you.
