Always carry your documents, tickets, medication and valuables with you while travelling. They should not be packed with your checked luggage. They should be carried with you while travelling.

Unless insured, your baggage is transported at your own risk. It is recommended that you pack a change of clothing in your carry-on luggage in the event of mis-routed or delayed luggage.

---

*Unique travel experiences... where luxury, adventure and spirituality meet!*

## MEDICAL INFORMATION

Although no vaccinations are required to enter the UK, please ensure that you have consulted with your medical doctor or travel clinic to ensure your routine vaccinations are up to date.

These precautions are to ensure nothing prevents you from having the time of your life on this magical journey!

---

## AIRPORT CHECK-IN

Please ensure you check-in at the airport at least 3 hours prior to your departure time.

It is recommended you call the Airline Information Number or check online to verify your flight times. Due to increased airport security measures, please be sure to leave ample time for check-in as late arrivals could be denied boarding. Please also confirm that your frequent flyer number (if applicable) is on file upon check-in.

---

## LUGGAGE ALLOWANCE

Economy Ticket Holders:

**Carry-On:** Passengers are allowed one carry-on bag plus one personal item such as a purse, briefcase, laptop or backpack, though some airlines now may charge for carry-on luggage. Passengers will be required to check any bags above this allowance. Please check with your airline(s). The maximum size of carry-on luggage for all airlines is 40cm X 55cm X 23cm. Any objects such as razors, tweezers, nail files, scissors or pocketknives are not allowed in your carry-on luggage. You are allowed to bring a quart-sized bag of liquids, aerosols, gels, creams and pastes in your carry-on bag. These are limited to travel-sized containers of 3.4 ounces (100 mls) or less per item.

**Checked Luggage:** Due to recent changes in luggage allowances with all airlines, we recommend that you check the airline website for exact luggage allowances for your flights, as well as associated costs for checked luggage.

In the unlikely event that your luggage is misdirected, please report it at the Lost Luggage Counter before leaving the airport.

---

## LUGGAGE TAGS

Please ensure all your luggage and carry-on is tagged with your name prior to departure from your home. These tags will expedite the identification and safe handling of your luggage at the hotels.

---

## SECURITY CONSIDERATIONS

The following are a few tips to help ensure safe travels. It is recommended that you limit the amount of valuables you bring with you. **While traveling it is best to keep valuables, jewelry, travel documents and medications with you or locked in your hotel in-room safety deposit box.** Do not place these items in your checked luggage or leave them in locked luggage or loose in your hotel room.

With respect to air transportation, never leave your luggage unattended and never, ever agree to carry on items, packages or suitcases for other people. Report any such requests to airline personnel or your travel staff immediately. While on the trip, be sure to follow the instructions of the travel staff regarding luggage and movements within the airport.

---

## WEATHER

The average temperatures in Scotland in October range from a daytime high of 15 degrees Celsius to an evening low of 8 degrees Celsius. Please remember that this is Scotland so there is a good chance of rain during the trip.

---

## TIME DIFFERENCE

Scotland is 5 hours ahead of Toronto and all cities on EST.

---

## AIRPORT TRANSFERS

Round-trip transfers for those flying will be provided between the Glasgow International Airport and Inverlochry Castle and from the Balmoral Hotel to Edinburgh International Airport.

---

## CURRENCY

The currency in Scotland/UK is the Pound Sterling and the exchange rate at time of printing is 1 Pound = \$1.63 CDN. We suggest you purchase a small amount of Pounds before you arrive. ATM's are readily available in the larger towns and credit cards are widely accepted in major shops.

---

## ELECTRICITY/VOLTAGE

Standard North American voltage is 120V 60Hz, while Scotland is 230V 50Hz. This means that you will require an Adapter/Converter when charging your North American devices (cell phones, tablets, flat irons, etc.). We recommend getting a universal adapter kit. The hotels may have one or two North American outlets in the room as well as a limited number of adapters at the front desk.

---

## CELL PHONE, ROAMING CHARGES & Wi-Fi

Please be aware that international cell phone roaming charges as well as long distance charges when calling from the hotel are very costly. We suggest you contact your cell phone provider prior to departure to purchase an International Talk & Text plan and/or an International Data Plan (for receiving emails). **The hotels offer complimentary Wi-Fi.**

---

## VIDEO CREW/FILMING

We will have a small video crew with us to capture highlights of the trip, which we will then edit into 3-4 short videos as a remembrance for everyone. We will also use some of the footage for promotional purposes. They have assured us that the shoot will not interfere with or distract from your experience. If you do not mind being filmed, they have asked that you sign a release form, which they will provide (standard video protocol). Thank you for your understanding and cooperation!

---

## HOSPITALITY DESK

*The Divine Destination Collection* Hospitality Desk will be located in each hotel for the duration of the program. Should you have any questions or specific needs during your stay please come to the Hospitality Desk, where our staff will be pleased to assist you. This itinerary shows times that may change on occasion.

---

## SUGGESTED DRESS

The tone for the trip is casual & comfortable. The weather in Scotland is cool and unpredictable so we recommend you bring clothing that can be layered along with rain gear. We recommend smart/elegant casual for the various evening functions and perhaps something a little dressier for the final night.

---

## INCLUSIONS

All breakfasts, four lunches, three cocktail receptions, seven dinners, and activities are included as noted in this itinerary. In-room dining, four lunches, one dinner and items of a personal nature are not included.

All gratuities for planned activities have been prepaid. This includes tips for bellmen & waiters (included meals only). Gratuities for personal activities such as in-room dining or bar charges are not included in this program.

---

The hotels will maintain an incidental account to cover your personal expenses such as in-room dining, telephone charges, spa services and any additional food & beverage items not included in the program.
